

How to change your email password online.

Barristers with @vicbar.com.au email addresses can change their passwords online.

Step 1 – Using your web browser, go to <http://id.vicbar.com.au>

- To change your existing password, select “Change your Email password”
- If you have access to emails and do not know your existing password, select “Reset your password”. A link will be sent to your email with further instructions.
